2019 Pricing Guide

We pride ourselves in using SIMPLE, ORGANIC ingredients to bring your customers and clients a high-quality elderberry syrup. Our Elderberry Syrup with Maple is a tasty alternative to our original honey-sweetened syrup!

Elderberry Syrup with Honey

Our "Original" Elderberry Syrup. Made with organic berries and spices and sweetened with raw, organic honey from Beeline Farms in Snohomish, Washington.

Net Weight: 13.7fl oz

Elderberry Syrup with Maple

This is our vegan or "kid friendly" Elderberry Syrup. Made with organic elderberries and spices and sweetened with 100% organic maple syrup.

Net Weight: 13.7fl oz

We truly are a "small-batch" company, so your syrups will likely be made just a few weeks before they are delivered!
